West Star Aviation, Inc. Forsees Boost in Business

Grand Junction, CO, March 13, 2008– West Star Aviation’s Grand Junction location is hopeful that it will soon benefit from a tactical decision made by American Eagle, the regional affiliate of American Airlines. Beginning April 7th, 2008, American Eagle will be adding 2 daily nonstop flights between Dallas/Fort Worth International Airport (DFW) and Grand Junction Regional Airport (GJT).

“With American Eagle now flying into Grand Junction Regional Airport it will potentially stimulate economic growth for the airport as well as West Star Aviation,” says Rick Brainard, General Manager, West Star Aviation Grand Junction. “It makes Grand Junction more accessible to clients whose aircraft are in work as well as makes West Star Aviation more accessible to prospective clients.”

With locations in East Alton, Illinois, Grand Junction, Colorado, and Dallas, Texas, West Star Aviation, Inc. specializes in airframe maintenance, engine repair and maintenance, interior, paint and avionics upgrades for a wide variety of today’s corporate and general aviation aircraft including Lear, Conquest, Citation, Hawker, Challenger, Beechjets, King Airs, and Falcon aircraft. West Star Aviation, Inc. is an Authorized Service Center for Hawker and Citation 500 and 650 series aircraft including the Sovereign, Mustang and CJIII aircraft, as well as an Authorized Embraer Phenom Service Center. The company also holds an STC for an RVSM solution for the Learjet 31, 35, 35A, 36 and 36A and is currently pursuing an RVSM solution for Conquest II aircraft. They also specialize in the acquisition and sales of surplus avionics through their Hiawatha, Iowa facility. West Star Aviation, Inc. strives to be a leader in technical expertise and experience, and works to ensure customer satisfaction at every level.
