## **WEST STAR AVIATION CONDUCTS RESTRUCTURING OF MAINTENANCE DEPARTMENT**

**Dallas, TX, September 3, 2008** – West Star Aviation is pleased to announce its Dallas facility has recently implemented major changes to the structure of its Maintenance Department.

Greg Meals and Ron Larson have accepted the newly created position of Maintenance Service Manager's for the West Star Aviation Dallas. Greg and Ron will report to Susie Corn, Dallas Operations Manager

Greg will be responsible for all Hawker, Beechjet, King Air, Premier, Lear, Cessna 600 series and Conquest I & II maintenance in addition to the Interior shop. Ron Larson will be responsible for the Cessna 500 series aircraft and the new Phenom 100/300 maintenance.

In addition, Al Diaz and Steve Nifong have been promoted to Service Supervisor's. Al will focus on Cessna Citation 500 series and the new Embraer Phenom 100/300 aircraft while Steve will focus on the Hawkers, Beechjet, King Air, Premier, Lear and Cessna Citation 600 series & Conquest aircraft.

These changes will allow West Star Aviation's Dallas facility to utilize these key individuals' talents and experience to focus Dallas on providing superior high quality services and customer satisfaction in the growing Dallas location. This Team combines over 90-years of aviation experience to help lead the West Star Aviation Maintenance Service Team in Dallas.

**For Immediate Release**
