West Star Aviation, Inc. Modifies Hawker For Use At 2008 Olympics

Grand Junction, CO, March 13, 2008— West Star Aviation, Inc. is pleased to announce its Grand Junction, Colorado facility has recently completed a modification of a Hawker 800A for AirMed International HK LLC. The Hawker 800A received a new interior configuration, air system, avionics package, ESBs, Satellite Phone with Blue System, and exterior paint. The modified aircraft will be used for the 2008 Olympics in Beijing, China.

AirMed International is the United State's leading air ambulance service, offering unparalleled medical care and bedside-to-bedside transportation on a worldwide basis. AirMed flies more than 2,500 transport missions each year and boasts the most experienced medevac teams in the industry. Chosen as air medical transport for the world-renowned Mayo Clinic as well as a preferred carrier for the U.S. Department of Defense, AirMed operates a fleet of fully customized fixed-wing aircraft from its headquarters in Birmingham, Alabama, with additional bases in Honolulu, Hawaii, Rochester, Minnesota and soon, Hong Kong.

With locations in East Alton, Illinois, Grand Junction, Colorado, and Dallas, Texas, West Star Aviation, Inc. specializes in airframe maintenance, engine repair and maintenance, interior, paint and avionics upgrades for a wide variety of today's corporate and general aviation aircraft including Lear, Conquest, Citation, Hawker, Challenger, Beechjets, King Airs, and Falcon aircraft. West Star Aviation, Inc. is an Authorized Service Center for Hawker and Citation 500 and 650 series aircraft including the Sovereign, Mustang and CJIII aircraft, as well as an Authorized Embraer Phenom Service Center. The company also holds an STC for an RVSM solution for the Learjet 31, 35, 35A, 36 and 36A and is currently pursuing an RVSM solution for Conquest II aircraft. They also specialize in the acquisition and sales of surplus avionics through
