## NEW ADDITION TO REGIONAL SALES TEAM FOR WEST STAR AVIATION

**Dallas, TX, September 18, 2008** – West Star Aviation is pleased to announce a new addition to its regional sales team, Keith Rash. Keith will take on the position as one of nine Regional Sales Managers for West Star. Keith will be responsible for the Texas Sales territory.

Keith has previously worked for Wing Aviation and BizJet prior to Wing Aviation.

Keith has an extensive sales background in Gulfstream, Hawker, Learjet and Falcon aircraft. His previous sales responsibilities have been worldwide which has enabled Keith to have customer relationships around the world

West Star is very fortunate to bring onto their team such a great asset. Keith stated “After visiting West Star's Grand Junction facility, I was really amazed and also excited to see the diversity of aircraft services they offered and the experience level and tenure of the technicians. It is great to be a part of the West Star team and I am looking forward to sharing my West Star experience with others.”

West Star Aviation, Inc. specializes in airframe repair and maintenance, engine repair and maintenance, major modifications, avionics installation and repair, interior refurbishment, paint, parts, surplus avionics sales, and accessory services. In addition to its facilities in East Alton, IL; Grand Junction, CO; and Dallas, TX, West Star has a Hiawatha, IA location that specializes in the acquisition and sales of surplus avionics. The company also provides complete FBO services for transient aircraft at its newly remodeled East Alton and Grand Junction facilities. West Star Aviation, Inc. is an industry leader in
