SUSIE CORN NAMED OPERATIONS MANAGER FOR WEST STAR AVIATION

Dallas, TX, August 19, 2008 – West Star Aviation, Inc. is pleased to announce that Susie Corn has been appointed to Operations Manager at the Dallas Love Field facility. Susie will be responsible for all Maintenance, Avionics and Customer Service and Support operations at the Dallas Location.

West Star plans to use Susie's excellent customer relations skills and her commitment to customer service to drive the expanding services at the Dallas location. Dallas is expanding into the maintenance of Embraer Phenom 100 / 300 aircraft in addition to growing its maintenance activities for the Hawker Beechcraft, Lear and Dassault Product lines.

Susie previously was the Regional Sales Manager for all West Star Aviation facilities and also held various positions previously with McKinney Aerospace.

West Star Aviation, Inc. specializes in airframe repair and maintenance, engine repair and maintenance, major modifications, avionics installation and repair, interior refurbishment, paint, parts, surplus avionics sales, and accessory services. In addition to its facilities in East Alton, IL; Grand Junction, CO; and Dallas, TX, West Star has a Hiawatha, IA location that specializes in the acquisition and sales of surplus avionics. The company also provides complete FBO services for transient aircraft at its newly remodeled East Alton and Grand Junction facilities. West Star Aviation, Inc. is an industry leader in technical experience and expertise and provides world-class customer services in all of the organization's divisions.
