West Star Aviation Inc. Expands Dallas Love Field Facility

Dallas, TX, September 25, 2007– In order to meet the growing demand of Cessna Citation, Hawker, Beechjet, King Air, Falcon and Learjet aircraft maintenance and avionics services/installations in the Southwest Region, West Star Aviation, Inc. will expand its Dallas facility.

The facility will expand its current 42,000 square feet of hangars, shops and offices located adjacent to runway 31R at the Dallas Love Field Airport (KDAL) to a new co-location adjacent to runway 31 L. The new, additional location is planned to include expanded sheet metal, avionics, and interior refurbishment shop capabilities, as well as expanded aircraft maintenance and avionics services capabilities to the new 33,000-square foot facility.

West Star Aviation, Inc. is targeting December 1, 2007 for initial operations after facility renovations, shop expansions, and additional maintenance spares, tooling, and equipment acquisitions are complete. The Dallas facility currently offers FBO services from its partner Jet Aviation (for Runway 31L). The new location will offer FBO services through its new location partner Signature Flight Support (for Runway 31R).

West Star Aviation, Inc. Dallas location operates as an authorized FAA certified repair station 5PAR631Y and is EASA approved, reference 145.6049.

With locations in East Alton, Illinois, Grand Junction, Colorado, and Dallas, Texas, West Star Aviation, Inc. represents the very best in aircraft maintenance capability and services. The Dallas location specializes in maintenance for Citations, Hawkers, Beechjets, King Airs and Learjets. It

For Immediate Release

is also a factory authorized Embraer Phenom, Cessna Citation 500-series and Citation Mustang Service Center. West Star Aviation, Inc. strives to be a leader in technical expertise and experience, and works to ensure customer satisfaction at every level.

The Grand Junction, Colorado (GJT) location is a full service FBO specializing in airframe maintenance, engine repair, interior, paint and avionics upgrades for a wide variety of today's corporate and general aviation aircraft including Lear, Conquest, Citation, Hawker, Challenger and Falcon aircraft. West Star Aviation, Inc. is an Authorized Service Center for Hawker and Citation 500 and 650 series aircraft including the Sovereign, Mustang and CJIII aircraft, as well as an Authorized Embraer Phenom Service Center. The company also holds an STC for an RVSM solution for the Learjet 31, 35, 35A, 36 and 36A and is currently pursuing an RVSM solution for Conquest II aircraft. This location also specializes in the acquisition and sales of surplus avionics through the Hiawatha, IA facility.

The location at St. Louis Regional Airport (ALN) in East Alton, IL is a Factory Authorized Cessna Citation Service Center for all 500 and 650 series aircraft including the Sovereign, Mustang and CJIII aircraft and is FAA-Certified on all Dassault Falcon aircraft. This location also specializes in interior, paint, avionics and engine maintenance. For more information on West Star Aviation, Inc. call 800-922-2421.
