NetJets Names West Star Aviation Inc. FBO of the Year

Grand Junction, CO, September 25, 2007—West Star Aviation, Inc. is pleased to announce that NetJets recognized the West Star Aviation, Inc. Grand Junction, Colorado location as the FBO of the Year at their annual NetJets supplier conference.

Teresa Garner, FBO Manager for West Star Aviation, Inc. was on hand to receive the award presented by Todd Baumgartner, Vice President of Fuel and FBO Relations for Netjets. The award has been traditionally presented to the FBO that has made the greatest achievements in meeting the requirements of NetJets.

“West Star Aviation, Inc. has invested greatly in their facilities and their people to result in outstanding performance for our clients,” says Baumgartner “West Star Aviation, Inc. asked us two years ago what they could do to make their FBO a better destination for NetJets, we told them, and they delivered on every aspect. That is why we recognized them as the FBO of The Year.”

With locations in East Alton, Illinois, Grand Junction, Colorado, and Dallas, Texas, West Star Aviation, Inc. represents the very best in aircraft maintenance capability and services. The Grand Junction, Colorado (GJT) location is a full service FBO specializing in airframe maintenance, engine repair, interior, paint and avionics upgrades for a wide variety of today’s corporate and general aviation aircraft including Lear, Conquest, Citation, Hawker, Challenger and Falcon aircraft. West Star Aviation, Inc. is an Authorized Service Center for Hawker and Citation 500 and 650 series aircraft including the Sovereign, Mustang and CJIII aircraft, as well as an Authorized Embraer Phenom Service Center. The company also holds an STC for an RVSM solution for the Learjet 31, 35, 35A, 36 and 36A and is currently pursuing an RVSM

For Immediate Release

solution for Conquest II aircraft. This location also specializes in the acquisition and sales of surplus avionics through the Hiawatha, IA facility.

The location at St. Louis Regional Airport (ALN) in East Alton, IL is a Factory Authorized Cessna Citation Service Center for all 500 and 650 series aircraft including the Sovereign, Mustang and CJIII aircraft and is FAA-Certified on all Dassault Falcon aircraft. This location also specializes in interior, paint, avionics and engine maintenance.

The Dallas location specializes in maintenance for Citations, Hawkers, Beechjets, King Airs and Learjets. It is also a factory authorized Embraer Phenom, Cessna Citation 500-series and Citation Mustang Service Center. West Star Aviation, Inc. strives to be a leader in technical expertise and experience, and works to ensure customer satisfaction at every level.
