**WEST STAR AVIATION WELCOMES NEW CORPORATE AIRCRAFT INTERIOR
SALES MANAGER**

East Alton, IL, April 25, 2012 – West Star Aviation recently announced Julie Timmons has accepted the position of Corporate Aircraft Interior Sales Manager at their East Alton facility, which is located at the St. Louis Regional Airport (ALN).

Julie began her career in corporate aircraft interior/exterior modifications over 20 years ago. Since then, Julie has built a solid background with managerial and direct customer interaction. The majority of her experience is in the interior and exterior upgrade sector of corporate aircraft, plus overall business management.

Julie is a graduate of the University of Illinois-Springfield with a Masters Degree, and SIU-Carbondale with a Bachelors Degree. Additionally, Julie is instrument rated as a commercial pilot.

In her new position as Corporate Aircraft Interior Sales Manager, Julie will be responsible for overseeing all interior and exterior projects at West Star Aviation's ALN location. Julie Timmons can be contacted directly at (618) 258-8814 (office) or (618) 610-6945 (cell).

West Star Aviation, Inc. specializes in the repair and maintenance of airframes, windows, and engines, as well as major modifications, avionics installation and repair, interior refurbishment, surplus avionics sales, accessory services, paint and parts.

In addition to its facilities in East Alton, IL; Grand Junction, CO; Columbia, SC; and Dallas, TX, West Star Aviation runs the maintenance operations at Aspen-Pitkin County Airport in Aspen, CO and at Spirit of St. Louis Airport in Chesterfield, MO. The company also provides complete FBO services for transient aircraft at its newly remodeled East Alton and Grand Junction facilities. West Star Aviation, Inc. is an industry leader in technical experience and expertise while providing world-class customer services in all the organization's divisions. For more information visit <http://www.weststaraviation.com> or call 800-922-2421.
