## **WEST STAR AVIATION OFFERING NIGHT AND WEEKEND HOURS OF OPERATION**

**Chesterfield, MO, June 27, 2012** – West Star Aviation’s Spirit of St. Louis (SUS) location is now offering night and weekend hours for their customers. In addition to their regular Monday through Friday hours of 7:00 a.m. to 3:30 p.m., they will now offer evening hours Wednesday through Friday from 3:30 p.m. to 11:30 p.m. In addition, West Star SUS will also be open for service Saturdays and Sundays from 11:00 a.m. to 7:00 p.m.

“Our facility offers aircraft operators an easily accessible location in the area without the high traffic of the larger airports,” said Jeff Messmer, Operations Manager (SUS), West Star Aviation. “These new hours of operation will give our customers even more convenience when visiting our location.”

West Star’s SUS facility is a 19,000 sq. ft. FAA certified 145 repair station that provides services for turbine aircraft including Learjet, Cirrus, Beechjet, Premier, Hawker, Bonanza, Baron, and King Air. Their experienced Flight Safety and factory-trained technicians can provide service for all aircraft needs including major and minor inspection, systems troubleshooting and repair, structural analysis and repair, window repair, and parts and accessory exchange and overhaul.

West Star Aviation, Inc. specializes in the repair and maintenance of airframes, windows, and engines, as well as major modifications, avionics installation and repair, interior refurbishment, surplus avionics sales, accessory services, paint and parts.

In addition to its facilities in East Alton, IL; Grand Junction, CO; Columbia, SC; and Dallas, TX, West Star Aviation runs the maintenance operations at Aspen-Pitkin County Airport in Aspen, CO and at Spirit of St. Louis Airport in Chesterfield, MO. The company also provides complete FBO services for transient aircraft at its newly remodeled East Alton and Grand Junction facilities. West Star Aviation, Inc. is an industry leader in technical experience and expertise while providing world-class customer services in all the organization’s divisions.
