## WEST STAR AVIATION WELCOMES NEW ADDITIONS TO SALES TEAM

**East Alton, IL, August 22, 2013** - West Star Aviation recently announced that Christina Byman has joined the company as Technical Sales Manager – Avionics at their East Alton, IL (ALN) location. In addition, West Star has welcomed Craig Winterrowd as Regional Sales Manager in California.

In her new position, Christina will be responsible for providing technical sales support for all avionics products and services West Star offers. Christina has 11 years of experience in corporate aviation, and in her most recent position Christina was in charge of estimating for MRO sales of avionics and cabin modifications for Challenger and Global aircraft. Christina Byman can be contacted directly at 618-258-8817 or [cbyman@wsa.aero](mailto:cbyman@wsa.aero).

Craig will be responsible for providing sales and support to West Star customers in the state of California, with the exception of Burbank and Van Nuys airports. Craig has worked in corporate aviation for over 40 years, and has gained extensive experience in technical, business, and sales positions during that time. Craig also holds an Airframe and Powerplant License. Craig Winterrowd can be contacted at 469-267-5772 or [cwinterrowd@wsa.aero](mailto:cwinterrowd@wsa.aero).

“In addition to the specific duties within their territories, Christina and Craig will both be responsible for cultivating relationships with current and potential customers,” said Greg Byrnes, Senior Vice President of Sales, West Star Aviation. “They both have a solid background in the industry and we are excited to welcome them to our team.”

West Star Aviation, Inc. specializes in the repair and maintenance of airframes, windows, and engines, as well as major modifications, avionics installation and repair, interior refurbishment, surplus avionics sales, accessory services, paint and parts.

In addition to its facilities in East Alton, IL; Grand Junction, CO; and Columbia, SC. West Star Aviation runs the maintenance operations at Aspen-Pitkin County Airport in Aspen, CO and at Spirit of St. Louis Airport in Chesterfield, MO. The company also provides complete FBO services for transient aircraft at its newly remodeled East Alton and Grand Junction facilities. West Star Aviation, Inc. is an industry leader in technical experience and expertise while providing world-class customer services in all the organization’s divisions.
