### **West Star Aviation Welcomes New Hawker Technical & Sales Support Representative**

**Grand Junction, CO, May 20, 2014** - West Star Aviation recently announced that Robert Lawson has joined their team as Hawker Technical & Sales Support Representative at their Grand Junction, CO (GJT) location.

Before joining West Star, Robert worked for Hawker/Beechcraft Corp for 25 years in various roles within the Hawker Line. Most recently, Robert spent his last 15 years with Hawker as a Field Service Representative.

“Robert will be a valuable addition to the Hawker Program at GJT with his extensive knowledge of the aircraft,” says Kendall Kreiling, Hawker Program Manager, West Star Aviation. “Robert is well known among operators as a “go to” resource when a difficult problem arises, and I am confident he will help us continue to grow the Hawker Program at West Star.”

In his new role as Hawker Technical & Sales Support Representative, Robert will work directly with the sales and technical teams to provide support to current and potential West Star customers. While Robert will be based at GJT, he will spend some of his time traveling to visit operators and assist them throughout the country, Robert can be reached directly at (970) 683-4862 or at [rlawson@wsa.aero](mailto:rlawson@wsa.aero).

West Star Aviation, Inc. specializes in the repair and maintenance of airframes, windows, and engines, as well as major modifications, avionics installation and repair, interior refurbishment, surplus avionics sales, accessory services, paint and parts.
