FOR IMMEDIATE RELEASE

WEST STAR AVIATION Welcomes New Bombardier Global Aircraft Program Manager

East Alton, IL, September 14, 2015—West Star Aviation is pleased to announce that Chad Adams joined the WSA team as Bombardier Global Aircraft Program Manager, effective Monday, August 31.

Chad has more than 19 years of aviation experience, and in his new role at West Star he will be pioneering a new team for them. Chad started his career in the U.S. Air Force working on A10 aircraft. He most recently held the position of Lead Technician at Bombardier.

“We’re very excited to have Chad join our team as Bombardier Program Manager,” says Dave Krogman, General Manager, West Star Aviation. “We didn’t waste any time putting him to work, as our first major Global project arrived from Portugal the day after he started.”

Based at the Grand Junction, CO (GJT) location, Chad will be responsible for the development, supervision and performance of the Global Program. He will be directing the work and flow of multiple projects, and providing unmatched customer service. Chad can be contacted directly at (970) 248-5236 or cadams@wsa.aero.

Voted #1 Preferred MRO in *Professional Pilot* magazine’s annual “Preferences Regarding Aviation Services and Equipment” (PRASE) Survey for two consecutive years, West Star Aviation, Inc. specializes in the repair and maintenance of airframes, windows, and engines, as well as major modifications, avionics installation and repair, interior refurbishment, surplus avionics sales, accessory services, paint and parts.

In addition to its facilities in East Alton, IL; Grand Junction, CO; and Columbia, SC. West Star Aviation runs the maintenance operations at Aspen-Pitkin County Airport in Aspen, CO, Chicago Executive Airport in Chicago, IL and Centennial Airport in Denver, CO. The company also provides complete FBO services for transient aircraft at its newly remodeled East Alton and Grand Junction facilities. West Star Aviation, Inc. is an industry leader in technical experience and expertise while providing world-class customer services in all the organization’s divisions. For more information visit
