**FOR IMMEDIATE RELEASE**

**West Star Aviation Offering Second Shift at Their Chattanooga (CHA) Location**

**East Alton, IL, June 21, 2016** - West Star Aviation is now offering a second shift at their Chattanooga location with goals to reduce customer downtime.

The after hours team will perform all West Star maintenance and will also include avionics support. The second shift is designed to reduce aircraft downtime and increase the completion time offering world-class service and expertise.

"We are excited to continue to grow our Chattanooga (CHA) location and being able to provide similar world-class service as we can at all of our major maintenance facilities." said Tom Hilboldt, general manager, KCHA. "These updates and our commitment to customer satisfaction at every location keeps us ahead of the competition." he continued.

The hours of the second shift will be Monday-Thursday 3pm-11:30pm, Friday Noon-8:30pm. For any questions or to set up services during the second shift, please contact Corey Boardman, Shift Leader, at 803-626-8353.

Voted #1 Preferred MRO in the 2014, 2015 and 2016 *Professional Pilot* magazine annual "Preferences Regarding Aviation Services and Equipment" (PRASE) Survey for three consecutive years, West Star Aviation specializes in the repair and maintenance of airframes, windows, and engines, as well as major modifications, avionics installation and repair, interior refurbishment, surplus avionics sales, accessory services, paint and parts.

In addition to its facilities in East Alton, IL; Grand Junction, CO; and Chattanooga, TN, West Star Aviation runs maintenance operations at Aspen-Pitkin County Airport in Aspen, CO; Chicago Executive Airport in Chicago, IL and Centennial Airport in Denver, CO. The company also provides complete FBO services for transient aircraft at its newly remodeled East Alton and Grand Junction facilities.
