West Star Aviation is an FAA-Certified Class I, II, and III Avionics Repair Station. Our capabilities include the ability to install, repair and update all avionics systems. As a Cessna Authorized Citation Service Center, we have STC's for WAAS/LPV installations in Citation 550 Bravo series and Citation V 560 series aircraft.

West Star Aviation technicians will work with you to customize a plan to meet all your repair, replacement or reconfiguration needs. West Star Aviation Avionics Departments have a wealth of experience in the latest avionics technology to ensure each repair or installation goes smoothly, on budget and on schedule.

For specific services, models and ratings by location call or visit www.weststaraviation.com for details.
