West Star Aviation Celebrates Fourth Consecutive PRASE Survey Win On 70-Year East Alton Facility Milestone

East Alton, IL, May 17, 2017- West Star Aviation has been voted #1 Preferred MRO in 2017 *Professional Pilot* Preference Regarding Aviation Services and Equipment (PRASE) survey for the fourth consecutive year, during their East Alton facility's 70-years of continuous service to the aviation industry milestone.

West Star Aviation's East Alton facility was originally founded as Walston Aviation 70 years ago this year. The heritage was built on exceptional customer service and quality, with experienced professionals to assist customers. West Star Aviation today, continues to stay true to their 70-year heritage.

"We are blown away by this win, four years is something we could have never imagined," said Debi Cunningham, Vice President of Marketing, West Star Aviation. "We work very hard company-wide at all of our locations to make sure that our customers feel that we have their best interests in mind, and we are honored they put their trust in us," Cunningham continued.

Voted #1 Preferred MRO in the 2014, 2015, 2016, and 2017 *Professional Pilot* magazine annual "Preferences Regarding Aviation Services and Equipment" (PRASE) Survey for four consecutive years, West Star Aviation specializes in the repair and maintenance of airframes, windows, and engines, as well as major modifications, avionics installation and repair, interior refurbishment, surplus avionics sales, accessory services, paint and parts.

In addition to its facilities in East Alton, IL; Grand Junction, CO; and Chattanooga, TN, West Star Aviation runs maintenance operations at Aspen-Pitkin County Airport in Aspen, CO; Chicago Executive Airport in Chicago, IL; Centennial Airport in Denver, CO and Conroe-North Houston Regional Airport in Houston, TX. The company also provides complete FBO services for transient aircraft at its newly remodeled East Alton and Grand Junction facilities. West Star Aviation is an industry leader in technical experience and expertise while providing world-class customer services in all the organization's divisions.
