West Star Aviation Unveils Newly Redesigned Mobile App Now Available on Android Devices

October 10, 2017 - West Star Aviation is pleased to unveil the newly redesigned West Star mobile app now available on Android devices; The app originally hit Apple devices in early 2016.

"The West Star Aviation mobile app provides a direct line to who you need, for what you need, when you need it at your fingertips," said Debi Cunningham, Vice President of Marketing, West Star Aviation. "We pride ourselves on customer service and having a user-friendly website, and we wanted to reflect that on the mobile app. We are truly innovating our connect technology," Cunningham continued.

The open communication on the mobile app removes the hassle of the runaround approach, and allows for users to be confident choosing West Star Aviation for any level of aircraft maintenance. The main goal of this application was to deliver easy access to the correct people at the right location, when and where you need them. The new interface allows you to search relevant contacts by airframe, service, sales, and location with just a few taps. To download the mobile app, visit the iTunes or Google Play store and search West Star Aviation.

Voted #1 Preferred MRO in the 2014, 2015, 2016, and 2017 *Professional Pilot* magazine annual "Preferences Regarding Aviation Services and Equipment" (PRASE) Survey, West Star Aviation specializes in the repair and maintenance of airframes, windows, and engines, as well as major modifications, avionics installation and repair, interior refurbishment, surplus avionics sales, accessory services, paint and parts.

In addition to its facilities in East Alton, IL; Grand Junction, CO; and Chattanooga, TN, West Star Aviation runs maintenance operations at Aspen-Pitkin County Airport in Aspen, CO; Chicago Executive Airport in Chicago, IL; Centennial Airport in Denver, CO and Conroe-North Houston Regional Airport in Houston, TX. The company also provides complete FBO services for transient aircraft at its newly remodeled East Alton and Grand Junction facilities. West Star Aviation is an industry leader in technical experience and expertise while providing world-class customer services in all the organization's divisions.
