FOR IMMEDIATE RELEASE

West Star Aviation has completed 33 of the 100 AVANCE L5 System Installations Industry-wide to Date

May 31, 2018 - West Star Aviation is pleased to announce the company has completed 33 of the 100 total installations of AVANCE L5 systems flying to date. This milestone comes after the announcement from Gogo that the 100th platform had been installed.

Gogo AVANCE L5 is a single platform that provides a Gogo Biz 4G in-flight internet experience including video streaming, audio-on-demand media, personal Smartphone use and real-time data. The system is fully integrated and includes 802.11 AC dual-band Wi-Fi, advanced routers, moving maps, news clips, weather and more.

"Our company has performed one-third of the total completions to date, of this system and we look forward to continuing to be a leading source of AVANCE L5 installations. The experience we are gaining continues to refine and improve our installation processes of office in the sky platforms," said Aaron Berg, Technical Sales Manager, Avionics, West Star Aviation.

Voted #1 Preferred MRO for five consecutive years from 2014-2018 in *Professional Pilot Magazine's* annual "Preferences Regarding Aviation Services and Equipment" (PRASE) Survey, West Star Aviation specializes in the repair and maintenance of airframes, windows, and engines, as well as major modifications, avionics installation and repair, interior refurbishment, surplus avionics sales, accessory services, paint and parts.

In addition to its facilities in East Alton, IL; Grand Junction, CO; and Chattanooga, TN, West Star Aviation runs maintenance operations at Aspen-Pitkin County Airport in Aspen, CO; Chicago Executive Airport in Chicago, IL; Centennial Airport in Denver, CO and Conroe-North Houston Regional Airport in Houston, TX. The company also provides complete FBO services for transient aircraft at its newly remodeled East Alton and Grand Junction facilities. West Star Aviation is an industry leader in technical experience and expertise while providing world-class customer services in all the organization's divisions.
