## New & Refurbished Avionics Spares

For the past decade, we have focused on the buying and selling of avionics. Our beliefs reside in providing consistent reliable service for our customers, while providing surplus products at a reasonable price.

Our sales staff consists of 80 plus years experience as avionics technicians and managers, bringing knowledge to the industry that is second to none. We can assist with finding you the correct unit and alternate solutions. Our extensive network connections in the industry and knowledge will provide you with the correct solution at a reasonable price.

## Outright, Exchange & Repairs

**ASGPARTS**  
217.313.5588

For your convenience, we can offer exchanges from our extensive inventory or allow us to broker your repairs or exchanges with any OEM.

### AVIONICS WARRANTY PROGRAMS

Ask us about administering your OEM Avionics warranty programs. These are Honeywell's HAPP program and Rockwell Collins' CASP program. We will collect the required information and send you a quote. These are yearly warranty programs that cover their avionics. When you have a failure, we will order your exchange, or you can order directly.

### OEM's Dealerships

- Rockwell Collins
- Honeywell
- Universal
- Cobham
- L-3
- Garmin
- Sandel
- Avidyne
- KGS
- Mid-Continent Instruments and Avionics
