West Star Interiors offers unparalleled design and craftsmanship.

With aircraft interiors, style and materials change, interiors not only reflect these preferences, but represent a very unique avenue of expression and utility. This is why West Star's world-class aircraft interior experience continues to evolve.

Working closely with you, our experienced staff of professional designers and experienced craftsmen will provide recommendations on the latest materials, help with design, and update your aircraft interior using our extensive material selections.

Experienced craftsmen refurbish or manufacture new all cabin components
