West Star Aviation offers one-stop service for all your Paint needs.

West Star Aviation offers high-quality exterior strip and paint facilities large enough to accommodate Global 7000, Hawker 900XP, Citation 10/750, Falcon 900, Embraer 650, or a Gulfstream 650.

Our state of the art paint facilities are capable of handling all levels of exterior paint from a minor touch-up to a complete strip and repaint. We specialize in all types of repairs during the paint process as well as custom paint designs, logos and specialized paints and primers. Additionally, we have staff experts who provide custom computerized exterior renderings.

- On-staff Designers
- Custom Design Concepts
- Full Paint Capabilities (GJT and ALN locations)
- Climate Controlled For Temperature And Humidity
- Four-stage Filtration Systems
- Three-stage Exhaust Filter System
- Separate Detailing Facility
