FOR IMMEDIATE RELEASE

West Star Aviation Receives Brazilian Approval For East Alton, IL (ALN) Facility Through 2020

July 10, 2018 - West Star Aviation is pleased to announce that the Agência Nacional de Aviação Civil (ANAC), the Brazilian civil aviation authority, has approved West Star's East Alton (ALN) facility to work on Brazilian registered aircraft through 2020.

This approval is the latest addition to a growing list of authorizations which have allowed West Star to expand business worldwide. West Star will now offer full-service maintenance, installation, inspections and repairs on Brazilian registered aircraft beginning June 2018.

"We look forward to the continued growth that this approval brings to West Star," said Scott Sweeney, General Manager, West Star Aviation. "This is a milestone for expanding our business in the US and worldwide, while also allowing us to heighten our capabilities and services to aircraft registered across the Brazilian market," Sweeney continued.

For more information, please connect with West Star's Latin America Regional Sales Manager, Santiago Carol. He can be reached by phone at 970.248.5278 or by email at scarol@wsa.aero.
