FOR IMMEDIATE RELEASE

West Star Aviation Names John Mansfield As Manager Of Satellite Operations and Mobile Repair

August 2, 2018 - West Star Aviation is pleased to announce John Mansfield as Manager of Satellite Operations and Mobile Repair.

John began his career over 30 years ago as a Technical Representative at Hawker Beechcraft. He quickly advanced into more progressive roles including Manager, General Manager, and most recently, Vice President MRO Centers Worldwide at Embraer Executive Jets. John will be responsible for overseeing satellite operations and the mobile response team. John has 15 years of proven experience in leadership, relationships with OEMs, as well as customer satisfaction and product support.

"We are excited to have John join our team. His experience cultivating relationships with customers and OEMs will continue to help West Star grow and be successful at our satellite locations," said Jeff Curry, Vice President of Operational Efficiency, West Star Aviation. "His drive and proven leadership experience will aid in our future growth efforts with the satellite and MRT operations," Curry continued.

Voted #1 Preferred MRO for five consecutive years from 2014-2018 in *Professional Pilot Magazine's* annual "Preferences Regarding Aviation Services and Equipment" (PRASE) Survey, West Star Aviation specializes in the repair and maintenance of airframes, windows, and engines, as well as major modifications, avionics installation and repair, interior refurbishment, surplus avionics sales, accessory services, paint and parts.

In addition to its facilities in East Alton, IL; Grand Junction, CO; Chattanooga, TN; and Perryville, MO, West Star Aviation runs maintenance operations at Aspen-Pitkin County Airport in Aspen, CO; Chicago Executive Airport in Chicago, IL; Centennial Airport in Denver, CO and Conroe-North Houston Regional Airport in Houston, TX. The company also provides complete FBO services for transient aircraft at its newly remodeled East Alton and Grand Junction facilities. West Star Aviation is an industry leader in technical experience and expertise while providing world-class customer services in all the organization's divisions. For more information visit www.weststaraviation.com or call 800-922-2421.
