CONNECT TO A BETTER LIFE.

West Star Aviation is a leading provider of technical support services for some of the most sophisticated business aircraft flying today. Prioritizing technical capabilities and our dedication to growing team experience has resulted in West Star Aviation being voted the #1 MRO* in the industry for the past five years.

With primary locations in East Alton, IL (ALN), Grand Junction, CO (GJT), Chattanooga, TN (CHA), and Perryville, MO (PCD) along with a network of satellite locations, there is always a West Star facility within range.

West Star Aviation is always looking to add skilled aviation professionals to our winning team. Qualified candidates will enjoy competitive pay, outstanding benefits, and training enhancement opportunities while working hands-on with the latest airframes in business aviation.

To discuss employment opportunities with West Star Aviation or our affiliates Avant Aerospace and Dallas Aeronautical Services (DAS) please contact West Star Aviation.
