West Star Aviation Expands Recruiting Efforts For Growing MRO Network

September 26, 2018 - West Star Aviation is pleased to announce the company is expanding its recruiting efforts for their rapidly growing MRO network by attending upcoming career fairs at the National Aviation Academy in Florida on September 27, 2018, Spartan College of Aeronautics in Denver on September 28, 2018, and Utah State University on October 4, 2018.

The company is looking for both experienced and up and coming talent to work alongside the experts at one of their nine facilities throughout the United States as well as for their affiliate companies including Avant Aerospace, Dallas Aeronautical Services (DAS) and MSP Aero. The company will be meeting with students and conducting interviews on-site with qualified candidates.

"We have grown tremendously in 2018 and that growth has led to a need for top notch technicians to join the West Star family," said Katie Johnson, Vice President of Human Resources. "West Star provides a platform for employees to work at a #1 MRO and develop their craft while also deciding on a specialty," Johnson continued.

For more information or specific career opportunities with West Star Aviation or any of their affiliates visit www.weststaraviation.com/careers.

Voted #1 Preferred MRO for five consecutive years from 2014-2018 in *Professional Pilot Magazine's* annual "Preferences Regarding Aviation Services and Equipment" (PRASE) Survey, West Star Aviation specializes in the repair and maintenance of airframes, windows, and engines, as well as major modifications, avionics installation and repair, interior refurbishment, surplus avionics sales, accessory services, paint and parts.

In addition to its facilities in East Alton, IL; Grand Junction, CO; Chattanooga, TN; and Perryville, MO, West Star Aviation runs maintenance operations at Aspen-Pitkin County Airport in Aspen, CO; Chicago Executive Airport in Chicago, IL; Centennial Airport in Denver, CO, Conroe-North Houston Regional Airport in Houston, TX and Scottsdale Airport, in Scottsdale, AZ. The company also provides complete FBO services for transient aircraft at its newly remodeled East Alton and Grand Junction facilities. West Star Aviation is an industry leader in technical experience and expertise while providing world-class customer services in all the organization's divisions.
