WEST STAR AVIATION WELCOMES NEW OPERATIONS MANAGER

Chesterfield, MO, September 16, 2011 – West Star Aviation, Inc. recently announced Jeff Messmer has been appointed Operations Manager at their newest facility at Spirit of St. Louis Airport (SUS) in Chesterfield, MO.

With over 20 years of aircraft experience, Jeff began his career as an Aircraft Structural Technician for the U.S. Army. Most recently, Jeff held the position of Bombardier Customer Support Manager for Midcoast Aviation. Jeff has completed training at numerous technical schools including Gulfstream III Maintenance Initial, Falcon 2000EX Maintenance Initial, and Lear 45/45XR Maintenance Initial.

In his new position at West Star Aviation, Jeff will be responsible for all maintenance, avionics and customer service and support operations at the Chesterfield location. Jeff Messmer can be contacted directly at (636) 681-5626 (office), (314) 607-4069 (cell) or at jmessmer@wsa.aero

West Star Aviation, Inc. specializes in the repair and maintenance of airframes, windows, and engines, as well as major modifications, avionics installation and repair, interior refurbishment, surplus avionics sales, accessory services, paint and parts.

In addition to its facilities in East Alton, IL; Grand Junction, CO; Columbia, SC; and Dallas, TX, West Star Aviation runs the maintenance operations at Aspen-Pitkin County Airport in Aspen, CO and at Spirit of St. Louis Airport in Chesterfield, MO. The company also provides complete FBO services for transient aircraft at its newly remodeled East Alton and Grand Junction facilities. West Star Aviation, Inc. is an industry leader in technical experience and expertise while providing world-class customer services in all the organization's divisions. For more information visit <http://www.weststaraviation.com> or call 800-922-2421.
