WEST STAR AVIATION WELCOMES TWO NEW ADDITIONS TO SALES TEAM

East Alton, IL, September 13, 2011 – West Star Aviation recently announced Julie Anderson and Tim Johnson will join their team as Regional Sales Managers. Julie will be responsible for the western states including Arizona, California and Nevada, and Tim will take charge of the Upper Midwest region.

In their new positions, both Julie and Tim will be responsible for providing sales and support within their territories for all West Star Aviation's products and airframes. In addition, they will concentrate on maintaining relationships with current clients and developing new relationships with potential customers.

Julie Anderson was recently employed with Med Air where she held numerous sales positions and gained extensive experience in making sales with Directors of Maintenance, Chief Pilots, and Directors of Aviation for corporate flight departments. Julie is also a pilot and currently working on her A&P license. Julie will work from West Star Aviation's Grand Junction (GJT) location and can be contacted directly at (970) 261-4458 or janderson@wsa.aero.

Tim Johnson joins the West Star team from Dassault Falcon where he also held the position of Regional Sales Manager. Tim brings an extensive background with Falcon, Gulfstream and Bombardier products with him to West Star. Tim will be located at West Star's East Alton (ALN) location and can be contacted directly at (618) 798-1622 or tjohnson@wsa.aero.

West Star Aviation, Inc. specializes in the repair and maintenance of airframes, windows, and engines, as well as major modifications, avionics installation and repair, interior refurbishment, surplus avionics sales, accessory services, paint and parts.

In addition to its facilities in East Alton, IL; Grand Junction, CO; Columbia, SC; and Dallas, TX, West Star Aviation runs the maintenance operations at Aspen-Pitkin County Airport in Aspen, CO and at Spirit of St. Louis Airport in Chesterfield, MO. The company also provides complete FBO services for transient aircraft at its newly remodeled East Alton and Grand Junction facilities. West Star Aviation, Inc. is an industry leader in technical experience and expertise while providing world-class customer services in all the organization's divisions.
