**FOR IMMEDIATE RELEASE**

**West Star Aviation Announces Sponsorship Of NBAA Careers In Business Aviation Day**

**October 2, 2018** - West Star Aviation is pleased to announce they are a sponsor of the NBAA Careers in Business Aviation Day on October 18, 2018 at the Orange County Convention Center during the National Business Aviation Association (NBAA) conference.

Students are invited to attend and learn more about the global business aviation industry. This student-focused day invites students of all ages to attend the conference and will grant them access to over 1,100 exhibitors, over 100 static displays as well as networking opportunities.

"There is a need for technicians now more than ever, and we are proud to support an event that has a main focus of sparking and nurturing the passion for aviation in students of all ages," said Katie Johnson, Vice President of Human Resources, West Star Aviation. "These students will get to see aircraft up-close at static displays as well as mingle with potential colleagues, peers, and leaders in business aviation," Johnson continued.

Students will get to speak with leading business aviation professionals in all divisions of aviation including flight department managers, pilots, schedulers, maintenance professionals, HR personnel, recruiters and more.

West Star Aviation and their affiliates Avant Aerospace and Dallas Aeronautical Services (DAS), are currently hiring a variety of positions at various locations. For more information or to view open positions at West Star or their affiliates, visit [www.weststaraviation.com/careers](http://www.weststaraviation.com/careers).

Voted #1 Preferred MRO for five consecutive years from 2014-2018 in *Professional Pilot Magazine's* annual "Preferences Regarding Aviation Services and Equipment" (PRASE) Survey, West Star Aviation specializes in the repair and maintenance of airframes, windows, and engines, as well as major modifications, avionics installation and repair, interior refurbishment, surplus avionics sales, accessory services, paint and parts.

In addition to its facilities in East Alton, IL; Grand Junction, CO; Chattanooga, TN; and Perryville, MO, West Star Aviation runs maintenance operations at Aspen-Pitkin County Airport in Aspen, CO; Chicago Executive Airport in Chicago, IL; Centennial Airport in Denver, CO, Conroe-North Houston Regional Airport in Houston, TX and Scottsdale Airport, in Scottsdale, AZ. The company also provides complete FBO services for transient aircraft at its newly remodeled East Alton and Grand Junction facilities. West Star Aviation is an industry leader in technical experience and expertise while providing world-class customer services in all the organization's divisions. For more information visit [www.weststaraviation.com](http://www.weststaraviation.com) or call 800-922-2421.
