West Star Aviation is an FAA-Certified Class I, II, and III Avionics Repair Station. Our capabilities include the ability to install, repair and update all avionics systems.

- *Cockpit Display Upgrades: Honeywell, Rockwell Collins, Universal and Garmin*
- *Factory Authorized by Honeywell, Rockwell Collins, Universal, Garmin and many other product lines*
- *TCAS 7.1*
- *ADS-B Solutions*
- *FANS/CPDLC*
- *Gogo ATG Systems*
- *SmartSky Networks*
- *Satcom High Speed Data Systems*
- *WAAS/LPV*
- *Cabin Management Systems: Ovation, Venue and several others*

West Star Aviation technicians will work with you to customize a plan to meet all your repair, replacement or reconfiguration needs. West Star Aviation Avionics Departments have a wealth of experience in the latest avionics technology to ensure each repair or installation goes smoothly, and is completed on budget and on schedule.

For specific services, models and ratings by location call or visit www.weststaraviation.com for details.
