West Star Aviation Perryville is located at Perryville Regional Airport (PCD) in Perryville, MO. This location offers access to our award-winning MRO services for the Midwest region. PCD specializes in aircraft maintenance, modifications, and refurbishment for most business aircraft.

This facility consists of four hangars totaling over 120,000 sq. ft. in hangar and office space. This includes a 28,000 sq. ft. state-of-the-art paint facility with a downdraft filtration system. West Star will be adding employees and capabilities as they continue to ramp up and develop this location into their fourth full-service MRO.

West Star's PCD facility is an FAA authorized repair station and service center for select corporate airframes. In addition, West Star Aviation has maintenance capabilities for most business and corporate airframes, including:

- Citation
- Falcon
- Challenger
- Global
- Cessna
- Conquest
- Embraer
- Gulfstream
- Hawker
- Lear Jet
- King Air
- Piaggio

For specific services, models and ratings by location call or visit www.weststaraviation.com for details.
