West Star Aviation Grand Junction is located at Grand Junction Regional Airport (GJT) in Grand Junction, CO. This location offers convenient access to our award winning MRO services for the Western sections of the US. GJT specializes in business aircraft maintenance, modifications, and refurbishment for aircraft ranging in size from turbo prop through stand-up class business jets.

This facility is well known for our state-of-the-art paint facility, in addition to over 302,000 sq. ft. of hangar, shop and office space located on approximately 32 acres. Our space is comprised of dedicated maintenance and paint hangars as well as specialized interior, cabinet and avionics shops.

West Star's GJT facility is an FAA authorized repair station and service center for select corporate airframes. In addition, West Star has maintenance capabilities for most business and corporate airframes, including :

- Citation
- Falcon
- Challenger
- Global
- Cessna
- Conquest
- Embraer
- Gulfstream
- Hawker
- Lear Jet
- King Air

Our FlightSafety and factory-trained technicians provide quality service for all your aircraft needs, including:

- *Major And Minor Inspections*
