

CANADIAN SUPPLEMENT TO THE FAA PART 145 REPAIR STATION MANUAL

WEST STAR AVIATION

1390 Highway H
Perryville, MO., 63775

FAA Repair Station Certificate No. 4W5R536D

This Supplement does not form part of the FAA 14 CFR Part 145 Repair Station Manual.

Compliance with the FAA accepted supplement together with the FAA 14 CFR Part 145 RSM/QCM forms the basis of the Transport Canada (TCCA) approval.

This supplement forms part of West Star Aviation's obligations for TCCA CAR Part 571 and 573 approval as specified in the MIP.

This supplement was developed using FAA / TCCA Maintenance Implementation Procedures (MIP) in compliance with Revision 1, dated 06/14/2019.
