West Star Aviation offers full engine / APU support for most models of modern business aircraft including Falcon, Hawker, Gulfstream, Embraer, Challenger, Global Express, Citation, Lear Jet, King Air, Conquest, and Piaggio. Services available vary by model and West Star location but include line maintenance, scheduled inspections, Hot Section Inspections, troubleshooting, R&R, LRU replacement, Gearbox pressure checks, borescope, computer and accessory adjustments, performance runs, carbon seal replacement, fan balance, and compressor washes.

West Star Aviation is factory authorized by most engine OEMs including:

- Honeywell • Pratt & Whitney • Rolls Royce • GE • Williams

In addition, West Star is an authorized distributor for BlackHawk Modifications.

Engine / APU:

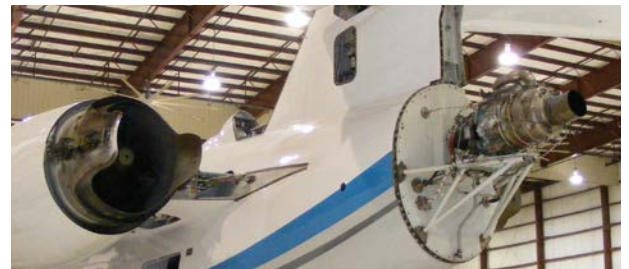

West Star has in-house capabilities to perform line maintenance, troubleshooting, borescope carbon seal and compressor and R&R's as required.

West Star Locations:

- East Alton, IL
- Grand Junction, CO
- Chattanooga, TN
- Perryville, MO*
- Chicago, IL*
- Denver, CO*
- Conroe, TX*
- Minneapolis/St. Paul, MN**

*Satellite Location **MSP Aero is a wholly owned subsidiary of West Star Aviation Holdings, LLC.

Our AOG/MRT services are available from most West Star locations to provide necessary on-site services, evaluations and repairs on your engines.

For specific services, models and ratings by location call or visit www.weststaraviation.com for details.
