West Star Aviation's East Alton location is a full-service Fixed Based Operator (FBO) facility conveniently located at St. Louis Regional Airport (ALN). This location offers access to our award winning MRO services for the Midwest sections of the US. ALN specializes in business aircraft maintenance, modifications, and refurbishment for aircraft ranging in size from turbo prop through stand-up class business jets.

This facility features over 383,000 sq. ft. of hangar, shop and office space with over 200,000 sq. ft. of ramp space. This includes dedicated maintenance hangars, interior, cabinet, and avionics shops as well as a state-of-the-art paint facility.

West Star's ALN facility is an FAA authorized repair station and service center for select corporate airframes and factory authorized for Embraer Aircraft. In addition, West Star has maintenance capabilities for most business and corporate airframes, including :

- Citation
- Falcon
- Challenger
- Global
- Cessna
- Conquest
- Embraer
- Gulfstream
- Hawker
- Lear Jet
- King Air

Our FlightSafety and factory-trained technicians provide quality service for all your aircraft needs, including:

- *Major and Minor Inspections*
- *Custom Airframe Paint and Interior Refurbishment*
- *Engine Hot Section Inspections, Repair, and Overhaul*
- *Parts and Accessory Exchange and Overhaul, AOG Assistance*
